

# Limp Bizkit, Intro (Three Dollar Bill, Y'All)

Use your vehicle of salvation my brothers,  
Go buy a gun,  
And go give your gun to Jesus,  
And say "Jesus, You go kill the disciples of Satan,  
And you kill the Nazis,  
Jesus"  
"Give me an Amen"  
"Amen!"  
"Give me a hallelujah brother"  
"Hallelujah!"  
Feel the pain of sweet Jesus  
"Give me another Amen"  
"Amen!"  
"Give me another"  
"Amen!"  
You've gotta kill the noise,  
You've gotta kill the pollution of satan,  
"Brother give me a hallelujah"  
"Hallelujah!",  
Have you been healed,  
Have you been saved,  
Has it happened to you my brother,  
Thank the Lord,  
Praise the Lord,  
I love Jesus,  
I love Jesus,  
Kill the pollution, Pollution!
