

# Limp Bizkit, My Way (Remix By Orbit) (Bonus Tra

Check, check, check.. out my melody

special

you think your special

you do

i can see it in your eyes

i can see it when you laugh at me

look down on me

and, you walk around on me

just one more fight

about your leadership

and i will straight up

leave your shit

cause i've had enough of this

and now i'm pissed

(yeah)

this time i'm a let it all come out

this time i'm a stand up and shout

i'm a do things my way,

it's my way,

my way or the highway

this time i'm a let it all come out

this time i'm a stand up and shout

i'm a do things my way,

it's my way,

my way or the highway

Check out, check check... out my melody

just one more fight

about a lotta things

and i will give up everything

to be on my own again,

free again

Yeah

this time i'm a let it all come out

this time i'm a stand up and shout

i'm a do things my way,

it's my way,

my way or the highway

this time i'm a let it all come out

this time i'm a stand up and shout

i'm a do things my way,

it's my way,

my way or the highway

someday you'll see things my way

cause you never know,

no ya never know

when your gonna go

someday you'll see things my way

cause you never know,

no ya never know when your gonna go

Check out, check check... out my melody

just one more fight

and i'll be history

yes i will straight up

leave your shit

and you'll be the one who's left

missing me

(yeah)

this time i'm a let it all come out

this time i'm a stand up and shout

i'm a do things my way,

it's my way,

my way or the highway

this time i'm a let it all come out  
this time i'm a stand up and shout  
i'm a do things my way,  
it's my way,  
my way or the highway  
someday you'll see things my way  
cause you never know,  
when ya never know  
when your gonna go  
someday you'll see things my way  
cause you never know,  
when ya never know
