

# Limp Bizkit, Nookie (Remix By Neptunes)

Check one, one two  
I came into the world as a reject  
Look into these eyes  
Then you'll see the size of the flames  
Dwellin on the past  
It's burnin up my brain  
Everyone that burns has to learn from the pain  
Hey, I think about the day  
My girlie went away with my pay  
And these fellas came to play  
Now she's stuck with my homies that she f\*\*ked  
And I'm just a sucker with a lump in my throat

Hey...like a chump

Should I be feelin bad  
Should I be feelin good  
It's kinda sad I'm the laughing stock of the neighborhood  
And you'd be figured I'd be movin on  
But I'm a sucker like I said  
F\*\*ked up in the head, not!  
And maybe she just made a mistake  
And I should give her a break  
But my heart will ache either way  
Hey, what the hell, whatchu want me to say?  
I won't lie, that I can't deny

I did it all for the nookie, c'mon  
The nookie, c'mon  
So you can take that cookie  
And stick it up your yeah!

Stick it up your yeah!  
Stick it up your yeah!  
Stick it up your

Why did it take so long  
Why did I take so long, huh

To figure it out, but I didn't  
And I'm the only one  
Underneath the sun who didn't get it  
I can't believe that I can be deceived  
By my so-called girl, but in reality  
She had a hidden agenda  
She put my tender, heart in a blender  
And still I surrender

I did it all for the nookie, c'mon  
The nookie, c'mon  
So you can take that cookie  
And stick it up your yeah!  
Stick it up your yeah!  
Stick it up your yeah!  
Stick it up your

I'm only human  
It's so easy for your friends to give you their advice  
They tell you just let it go  
It's easier said than did  
I appreciate it, but  
Just leave me alone  
Leave me alone

Just leave me alone  
Nothing's gonna change  
You can go away  
I'm just gonna stay here  
And always be the same

I did it all for the nookie, c'mon  
The nookie, c'mon  
So you can take that cookie  
And stick it up your yeah!  
Stick it up your yeah!  
Stick it up your yeah!  
Stick it up your
