

Limp Bizkit, Re Entry

[Ringmaster:] "Step right up, step right up everyone. whether you're good or bad, happy or sad, whether you're an emotional wreck, or a blissful speck in the black hole of an existence we call life. step right up, and witness something you will be soon to never forget. feast your ears on the most ferociously soothing waves of sonic communication to ever be created. built for you by the master..."

[fred:] "hey!"

[ringmaster:] "...built for you by the mast..."

[fred:] "hey, shutup already, what is it?"

[ringmaster:] "what is it?"

[fred:] "um... yeah, dog. what is it?"

[ringmaster:] "what is it?"

[fred:] "dude, chill man."

[ringmaster:] "it... is limp bizkit!"

all around the world, you know me

all around the world, we know you
