## Limp Bizkit, Take a look arround (Mission Imposs

All the tension in the world today

All the little girls fillin up the world today

When good comes to bad the bad comes to good

But im gonna live a life like I should

Now all the critics wanna hit it

Shit can ever did it

Because they don't get

But I stay fitted

New era committed

Unless this red cap

Gets a bad rap from his critics

Do we always gotta cry? (gotta cry)

Do we always gotta be inside a lie (a lie)

Life is just a blast

Movin very fast

Better stay on top

or life will kick you in the ass

Follow me into a solo

Remember that, kid

So what you wanna do?

The way you wanna run

When your starin down a cable

of a mic put it that you grill like a gun

Limp Bizkit is rockin the set

Its like Russian Roulette

When your placin your bet

So don'tt be upset

when your broke

And your done

Cuz im gonna be the one

til I jet

I know why you wan't to hate me

I know why you wan't to hate me

I know why you wan't to hate me

Cuz hate is all the world that's even seen me

I know why you wan't to hate me

I know why you wan't to hate me

Now I know why you wan't to hate me

Cuz hate is all the world that's even seen me

why you wan't to hate me

Cuz hate is all the world that's even seen me

Now you wanna hate me

Cuz hate is all the world that's even seen me

Now you wanna hate me

Cuz hate is all the world that's even seen me

Does anybody really know the secret

And the combination for this life and where they keep it

Its kinda sad when you dont know the meaning

But everything happens for a reason

I don't even know what I should say

Im an idiot a loser and a phone abuser

I analyze every second I exist

Beaten on my mind every second with my fist

Everybody wanna run (run)

Everybody wanna hide from the gun (gun)

You can take that ride through this life if you wan't

You cant take that edge off that knife (no sir)

And now you want your money back (money back)

But your denied cuz your brains fried from the sac

And there aint nothing I can do

Cuz life is a lesson you'll learn it when your through

I know why you wan't to hate me

I know why you wan't to hate me

I know why you wan't to hate me

Cuz hate is all the world that's even seen me I know why you wan't to hate me I know why you wan't to hate me Now I know why you wan't to hate me Cuz hate is all the world that's even seen me why you wan't to hate me Cuz hate is all the world that's even seen me

Now you wanna hate me

Cuz hate is all the world that's even seen me

(Now I know why... Now I know why... Now I know why you wanna hate me... Now I know why you wanna hate me... No

Now I know why you wanna hate me

Now I know why you wanna hate me

Now I know why you wanna hate me

Cuz hate is all the world that's even seen me

Cuz hate is all the world that's even seen me

Cuz hate is all the world that's even seen me
