

# Limp, Far Away

Far away and lost without you  
Fate is cruel and brings me this  
We are not deserving of this  
You are there and I am nowhere near  
The feeling I thought would go away  
Has grown and is far past to late  
And all I think about now is that You are there and I am nowhere near

CONSOLATION I WON'T TAKE IT WELL  
NOTHIN' ELSE AND NO ONE QUALIFIES  
CONSOLATION I WON'T TAKE IT WELL  
CAUSE YOU ARE THERE AND I AM NOWHERE NEAR

Here it is it's waiting for us  
I sit alone and watch it go  
I want it back so bad right now  
Just one more time and then I let it go  
Take me back I want to go  
I want to see your face again  
I want to die inside again  
Just one more time and then I let it go

CONSOLATION I WON'T TAKE IT WELL  
NOTHIN' ELSE AND NO ONE QUALIFIES  
CONSOLATION I WON'T TAKE IT WELL  
CAUSE YOU ARE THERE AND I AM NOWHERE NEAR

And so it ends on promises  
A bitter taste is in my mouth  
And all I think about now is that Someone near is finding what I want  
But I'm still here and you are nowhere near
