

# Lincoln, Basketball

They're over on the corner  
A quarter past three o'clock  
Plaid skirts and knee socks

One sucking on a Newport  
One eyeing up the half-court  
One twirling her hair with her fingers

Hey, what's up, you know  
They're so good to go  
Cool as Mister Freeze

The white girls  
Are watching  
The black boys  
Playing basketball

Heads banging off the backboard  
High-tops nobody can afford  
Look sharp for the muchachitas

Three points and a foul shot  
Somebody scores a bag of pot  
Hang out for the disco fever

One-on-one, they jump the gun  
Everybody shoots the breeze

Hey, what's up, you know  
They're so good to go  
Cool as Mister Freeze

The white girls  
Are watching  
The black boys  
Playing basketball
