

Lincoln, Sucker

Ride around in my big machine
Burnin' up some gasoline
I got WKTU pumpin'

I lean back and I slip it in drive
Sippin' on a Colt .45
All four of my tires are jumpin'

Yeah yeah yeah

I peel out so my rubber burns
Speed up when takin' turns
My horses are all of and runnin'

Cause red lights all want to be green
So I keep my motor clean
Six pack I'm telling you Jack it's hummin'

All I wanna do is drag
Someone give me the flag
Cause I like the way it feels
When I'm layin' wheels

I hit the pedal
Like a trucker
Flip the finger
So long
Sucker

I hit the pedal
Like a trucker
Flip the finger
So long
Sucker

25, 30, 35, 40
45, 50, 55, 60
65, 70, 75, 80
85, 90, 95

All I wanna do is drag
Someone give me the flag
Cause I like the way it feels
When I'm layin' wheels

I hit the pedal
Like a trucker
Flip the finger
So long
Sucker

I hit the pedal
Like a trucker
Flip the finger
So long
Sucker

I hit the pedal
Like a trucker
Flip the finger
So long
Sucker

I hit the pedal

Like a trucker
Flip the finger
So long
Sucker
