

# Linda Davis, Love Happens

Just rocking along minding my business  
Stealing my share of midnight kisses  
It's a game we play  
But then one day  
Love happens  
Maybe she's a girl you've known forever  
Never thought twice about getting together  
Just good friends  
Oh but then  
Love happens  
It's like riding on a runaway train  
Running on a wild Mustang  
You just hold on  
You don't let go  
And it's sudden as an April rain  
You don't plan it and you don't explain  
You just know  
Love happens  
A woman and man trying to make a living  
It's hard to find time these days for giving  
But through all the tears that fall  
Love happens  
It's like riding on a runaway train  
Running on a wild Mustang  
You just hold on  
You don't let go  
And it's sudden as an April rain  
You don't plan it and you don't explain  
You just know  
Love happens  
He's holding her hand  
Giving her comfort  
There to share the pain and wonder  
A child is born  
And in their arms  
Love happens  
So there you go  
Ain't it good to know  
Love happens
