

# Linda Eder, I Don't Know How To Say Good-Bye

The leaves must turn  
The wind must blow  
The heart must learn  
When it's time for the heart to let go  
But when I think of you  
My heart knows why  
I don't know how to say good-bye  
The world moves on  
With no regret  
And though you're gone  
There are feelings I'll never forget  
So I remember you  
And though I try  
I don't know how to say good-bye  
The house we used to share  
Still looks as if you're there  
And I won't change a single thing  
Not even the wedding ring I wear  
The evenings fall  
Much harder now  
The stars grow small  
And the moon seems so different somehow  
But every time I think of you  
The moon and I  
Know you're the only reason why  
I don't know how to say good-bye
