

# Linda Eder, We're All Along

outside the rain begins  
and it may never end  
so cry no more on the shore  
a dream will take us out to sea  
forever more  
forever more  
close your eyes and dream  
and you can be with me  
neath the waves  
through the caves of hours  
long forgotten now  
we're all alone  
we're all alone  
close the window, calm the light  
and it will be all right  
no need to bother now  
let it out, let it all begin  
learn how to pretend  
once as story's told  
it can't help but grow old  
roses do, lovers too  
so cast your seasons to the wind  
and hold me, dear  
oh, hold me, dear  
close the window, calm the light  
and it will be all right  
no need to bother now  
let it out, let it all begin  
all's forgotten now  
we're all alone  
close the window, calm the light  
and it will be all right  
no need to bother now  
let it out, let it all begin  
all's forgotten now, my love  
we're all alone
