

Linda Perry, Taken

You look so sweet
When you're smiling
And you're sad
You get so heavy
And when I'm around
You're like a big baby, ohh
And by my sweet thighs
I'm so taken, ohh
Cause I'm, la la la
Yes I'm, I'm so taken
It gets so cold
When you're angry
And I get so numb
When you bekeep swinging
And your cheap shots
Are keeping me from believing, ahh
And by my sweet thighs
I'm still taken
And I'm, la la la
I'm, I'm so taken
