

# Lindsay Lohan, Like 'Em Hot

Rolling downtown  
Everybody watchin' me  
Getting dow-own  
Everybody wantin' me  
To feel your touch  
It would be enough  
Like 'em hot!  
Like 'em, like 'em hot!  
Like 'em spicy  
Spicy enough to need  
On the spot!  
On the, on the spot!  
Like 'em fiesty  
Fiesty enough for me  
Rollin' with my girls, yeah  
Make 'em watchin' me  
Gettin' low  
touch the, touch the flo'  
Make 'em wantin' me  
Like 'em hot!  
Like 'em, like 'em hot!  
Like 'em spicy  
Spicy enough to need  
On the spot!  
On the, on the spot!  
Like 'em fiesty  
Fiesty enough for me  
Don't give me a reason  
to turn your body away.  
Give me a reason  
to take your bod and play.  
(Cause, babe-ay...)  
Like 'em hot!  
Like 'em, like 'em hot!  
Like 'em spicy  
Spicy enough to need  
On the spot!  
On the, on the spot!  
Like 'em fiesty  
Fiesty enough for me  
(Yeah, yeah, yeah...)  
Gettin' low  
Touch the, touch the flo'  
Give me mo'  
Give me enough to need  
Take a chance (baby)  
Take a, take a chance (oh yeah)  
Don't take it too slow  
Take one enough for me  
Like 'em hot!  
Like 'em, like 'em hot!  
Like 'em spicy  
Spicy enough to need  
On the spot!  
On the, on the spot!  
Like 'em fiesty  
Fiesty enough for me  
(Yeah, baby, let's go...)
