

Lindsay Lohan, Teenage Drama Queen (That Girl)

There was a girl I knew,
Who always wanted to,
Be the one to stand out from the crowd.
Always believe that she,
Was gonna live her dreams,
That what went down was gonna come around.

For all the doubters, non-believers,
The cynical, that once were dreamers,
One of these days you'll open up your eyes,
And you'll realize

That girl was a one time teenage drama queen,
A hot tough everyday you wanna be,
But she'll have changed her destiny,
Now she's a somebody.
That girl was a wild child dreamer
but she'll find her self,
Cause she believes in nothing else,
Then you'll look back, and you won't believe,
That girl was me.

Armed with an attitude,
That she knows how to use,
She's gonna get there anyway she can.
Now she knows what she wants,
No one is gonna stop her,
Nothing's ever gonna hold her back.

For all the doubters, non-believers,
The cynical, that once were dreamers,
One of these days you'll know that you were wrong,
Who would've known

That girl was a one time teenage drama queen,
A hot tough everyday you wanna be,
But she'll have changed her destiny,
Now she's a somebody.
That girl was a wild child dreamer
but she'll find her self,
Cause she believes in nothing else,
Then you'll look back, and you won't believe,
That girl was me.

Life is a work of art,
You gotta paint it colorful.
You can make it anything you want,
Don't ever stick to any rules.
You don't need a high IQ,
To succeed in what you do.
You just gotta have no doubt,
Just believe in yourself.

Doubters, Non-believers,
Once were her dreamers.
One of these days you'll open up your eyes,
And you'll realize

That girl was a one time teenage drama queen,
A hot tough everyday you wanna be,
But she'll have changed her destiny,
Now she's a somebody.
That girl was a wild child dreamer
but she'll find her self,

Cause she believes in nothing else,
Then you'll look back, and you won't believe,
That girl was me..

That girl was a one time teenage drama queen,
A hot tough everyday you wanna be,
But she'll have changed her desitiny,
Now she's a somebody.
That girl was a wild child dreamer
but she'll find her self,
Cause she believes in nothing else,
Then you'll look back, and you won't believe,
That girl was me.
