

Lindsey Buckingham, I'll Tell You Now

Written by Lindsey Buckingham.

I stayed at home today,
Didn have a lot to say,
I guess you must wonder why,
Il tell you,
Tell you now.
I felt the same today,
The same as always,
I guess you must wonder why,
Il tell you,
Tell you now.
I need someone today,
Someone who can take my place,
I guess you must wonder why,
Il tell you,
Tell you now.
