

# Lindsey Buckingham, Shut Us Down

Oh you and I we sure can dream  
Of conversations that might have been  
I know that I treat you unkind  
And long ago I lost my mind  
And even after all these years  
I can't even see you clear  
I know that you must lie sometimes  
To hide the truth you're trying to find  
Oh I won't shut us down  
No I will stay around  
As long as I can  
As long as I can  
Even after all these years  
I can't even see you clear  
A child is born another dies  
And every life has its price  
Oh I won't shut us down  
No I will stay around  
As long as I can  
As long as I can  
As long as I can  
As long as I can  
As long as I can
