

Linkin Park, Anything

Ok what is it tonight?
Please just tell me what the hell is wrong!
Do you wanna eat?
Do you wanna sleep?
Do you wanna shout?!
Just settle down,settle down,settle down!
Well I'll give you candy,
Give you diamonds,
Give you pearls,
Ill give you anything you want
hundred dollar bills
and I'll even let you watch the shows you wanna see
cause you married me, married me, married me
Im so sick of you tonight,
you never stay awake when I get home
Something wrong with me?
Somethings wrong with you?
I really wish I knew,wish I knew,wish I knew
Well I'll give you candy,
Give you diamonds,
Give you pearls,
Ill give you anything you want!
hundred dollar bills
and I'll even let you watch the shows you wanna see
cause you married me, married me, married me!
When I was young I played a game
that love and happiness were the same.
Now Im older and I dont play
and I found out the hardest way
I got wasted
She got mad
She called me names then she got her dad
He got crazy and I did too
Wondering what I did to you
Well I'll give you candy,
Give you diamonds,
Give you pearls,
Ill give you anything you want
hundred dollar bill
and I'll even let you watch the shows you wanna see
I'll do anything, anything, anything,
anything, anything, anything, anything, anything...
