Linkin Park, I'll Be Gone

Like shining oil this night is dripping down
Stars are slipping down
Glistening
And I'm trying not to think what I'm leaving now
No deceiving now
It's time you let me know.
Let me know

When the lights go out and we open our eyes, Out there in the silence I'll be gone I'll be gone. Let the sun fade out and another one rise Climbing through tomorrow I'll be gone I'll be gone

This air between us is getting thinner now Into winter now Bittersweet And 'cross that horizon this sun is setting down You're forgetting now It's time you let me go Let me go

When the lights go out and we open our eyes Out there in the silence I'll be gone I'll be gone Let the sun fade out and another one rise Climbing through tomorrow I'll be gone I'll be gone

And tell them I couldn't help myself And tell them I was alone Oh tell me I am the only one And there's nothing that can stop me

When the lights go out and we open our eyes Out there in the silence I'll be gone I'll be gone Let the sun fade out and another one rise Climbing through tomorrow I'll be gone I'll be gone
