Finally recover  
When the mood is right  
Looking up into a neon sky  
Time the mean takes over  
Guess it's been too long  
Since the last time that I tried to fly  
Finally I find  
When I lose control  
Inside my body crumbles  
It's like therapy  
For my broken soul  
Inside my body crumbles  
Only needs a moment  
Just to get away  
Hope the stress won't mess up every day  
No one final question  
And I never doubt  
Everything is gonna be okay  
Insecure would be my sign  
(I don't know if I'll be alright, I don't know if I'll be alright)  
I'll never have to hide  
(I don't know if I'll be alright, I don't know if I'll be alright)  
Try to live right  
(I don't know if I'll be alright, Now I know it's)  
It's alright  
Finally I find  
When I lose control  
Inside my body crumbles  
It's like therapy  
For my broken soul  
Inside my body
