Linkin Park, Papercut (Remix)

[Jay-Z] На На You're wasting your talent, Randy

[Mike \$hinoda]

It's like I'm paranoid lookin' over my back It's like a whirlwind inside of my head It's like I can't stop what I'm hearing within It's like the face inside is right Why does it feel like night today? Something in here's not right today. Why am I so uptight today? Paranoia's all I got left I don't know what stressed me first Or how the pressure was fed But I know just what it feels like To have a voice in the back of my head Like a face that I hold inside A face that awakes when I close my eyes A face watches every time I lie A face that laughs every time I fall And watches everything So I know that when it's time to sink or swim That the face inside is hearing me Right beneath my skin It's like I'm paranoid lookin' over my back It's like a whirlwind inside of my head It's like I can't stop what I'm hearing within

[Jay-Z]
