

# Linkin Park, Sold My Soul To Yo Mama

You take  
You take  
Away  
Away

Why does it feel like night today, today, day, day, day  
Something in here's not right today, today, day, day, day  
Why does it feel like night today, today, day, day, day  
Paranoia's all I got left, left, left, left

You take  
You take  
Away  
Away

This is so fun, this whole project is like, fun  
(Did that sound good?)  
That's right
