

# Lionel Richie, Brick House

[Chorus:]

She's a brick house  
Mighty might just lettin' it all hang out  
She's a brick house  
The lady's stacked and that's a fact,  
ain't holding nothing back.

She's a brick house  
She's the one, the only one,  
who's built like a amazon [pronounced am-a-ka-zawn]  
We're together everybody knows,  
and here's how the story goes.

She knows she got everything  
a woman needs to get a man, yeah.  
How can she lose with what she use  
36-24-36, what a winning hand!

[Chorus]

The clothes she wears, the sexy ways,  
make an old man wish for younger days  
She knows she's built and knows how to please  
Sure enough to knock a man to his knees

[Chorus]

Shake it down, shake it down now (repeat)
