Lipali, FASADY - Lava Love

Down down down I'm falling down
In love
I'm drown drown drown
I wanna drown in the lake of you

Down down down I'm falling down
My love
I'm drown drown drown
I wanna drown in the lava love

Down down down I'm falling down
My love
I'm drown drown drown
I wanna drown in your eyes

I'm down down down I'm falling down
My love
I'm drown drown drown
I wanna drown in the lava love
