

# Lisa Brokop, Never Gonna Be Your Fool Again

You came in and out of my life  
Like a lightning in a storm  
and by the time the thunder rolled in  
I reached for you and you were gone  
i guess i barely got to know you  
you know i hardly know myself  
Why i still have some things here for you  
That i can't give to no one else

Never did say goodbye  
I never did tell you  
How you changed my life  
About the time you came along  
We got caught out in the storm  
And i got lost without your light  
Now everytime they call for rain  
I reach out to touch the sky  
Maybe i'll see you again  
Maybe that's the reason why  
I never did say goodbye

I get so tired of pretending  
That you never flew away  
Seems like i'm always defending myself  
And how i think of you this way  
If i can see you in my mirror  
Then maybe you can see me too  
On a sunny day i'm feelin' better  
On a cloudy day I look for you

Never did say goodbye  
I never did tell you  
How you changed my life  
About the time you came along  
We got caught in the storm  
And i got lost without your light  
Now everytime they call for rain  
I reach out to touch the sky  
Maybe I'll see you again  
Maybe that's the reason why  
I never did say goodbye

Maybe I'll see you again  
Maybe that's the reason why  
I never did say goodbye
