

Lisa Germano, If I Think Of Love

Wait to get off
Immature, senseless
Suitable
Don't think intimate
Confident, infinite
Lay off, disconnect
Subtly, indifferent
If I think of love

Don't try
Overturn your insides
Cut off
So what?
Ultimate deathbed
Comfortable, into it
Senseless, immature
Way off, insecure

If I think of love
I'll think of you (X4.5)

Wasted afternoons, evenings
Remembering
Never again
From here
Never again
From here
Unconcerned
Better off
Shut off

If I think of love
I'll think of you (X4.5)
