

# Lisa Germano, Lovesick

You're not my yoko ono  
You said those words to me  
You say some hurtful things now  
None cut so deeply

Those visions of beauty  
Those visions haunt me  
Illusions of hope  
And they drive me crazy

You're not my yoko ono  
You said those words to me  
You have too many problems  
Always in therapy

Lovesick

You are a constant patient  
You stop me being mean  
Give me some inspiration  
Is that why you hit me

Lovesick

Those visions of beauty  
Those visions haunt me  
But i like them  
I'll keep them  
I'll just go crazy

You're not my yoko ono  
You said those words to me  
You say some hurtful things now  
None cut so deeply
