

Lisa Germano, Victorias Secret

What is victoria's secret
What is victoria's secret, yeah
She says you are ugly I am pretty
Your man wishes you looked like me

What is victoria's secret
What is victoria's secret, yeah
Looking at you has me more blue
Than I was before I got you
Just what I need today shoved in
My face hoping I change someday

Pretty lonely, ugly woman
Getting mail from you
Pretty lucky are you real or am I simply ugly ugly
What is victoria's secret
What is victoria's secret
What is victoria's secret, yeah
What is victoria's secret
What is victoria's secret
What is victoria's secret

He says you are ugly I am pretty
Your man wishes you looked like me
