

# Lisa Lisa, All Cried Out

(Lisa Lisa)

All alone on a Sunday morning  
Outside I see the rain is falling  
Inside I'm slowly dying  
But the rain will hide my crying, crying, crying

And you, don't you know my tears will burn the pillow  
Set this place on fire 'cause I'm tired of your lies  
All I needed was a simple "Hello";  
But the traffic was so noisy that you could not hear me cry

I, I gave you my love in vain  
My body never knew such pleasure  
My heart never knew such pain  
And you, you leave me so confused  
Now I'm all cried out over you

Oh, you. Im over you, oooh.

(Paul Anthony)

Never wanted to see things you way  
I had to go astray, oh, why was I such a fool?

(Bowlegged Lou)

Now I see that the grass is greener [why oh why]  
Is it too late for me to find my way home,  
How could I be so wrong? [Leavin' me all alone]

(Lisa Lisa)

Don't you know the hurt will cause an inferno  
Romance up in flames, why should I take the blame  
You were the one who left me neglected [I'm so sorry]  
Apology not accepted, add me to the broken hearts you've collected

I, I gave you all of me (gave me all of you)  
How was I to know you would weaken so easily  
I, I don't know what to do  
I'm all cried out [I'm all] over you [I'm cried out too]

[Whoa, whoa...]

Ah, I gave you my love in vain  
My body never knew such pleasure  
My heart never knew such pain  
And you [I left you so confused, now I'm all cried out]  
Now I'm all cried out....over you....
