

# Lisa Loeb, Lucky Me

Lucky me  
How bad could it be  
To be alone for now  
To be free  
Oh don't cry  
The time passes by  
Just think of what you'll get  
When you pass this  
So is it alright if I go  
Is it alright if I go  
Oh don't cry  
Just think about the end  
I'll find my best friend at last  
Lucky me  
I'm ready for a ride  
I'll jump off and take a drive today  
So is it alright if I go  
Is it alright if I go  
Is it alright if I go  
Oh don't cry  
It's time to say goodbye  
So is it alright if I go  
Is it alright if I go
