

Lisa Marie Presley, Nobody Noticed It

I heard broken footsteps
Was that you limping
Well, I wish that I had spent
Just a little bit more time with you
Tears on my ceiling
Weren't you watching
Well, I guess none of us
Will ever know what comes after this
You're still lovely
You were lovely then
All that you had to endure
I guess nobody noticed it
I know your resemblance
It's out there walking
And I wanted you to know
That I haven't forgotten
Well, they tried to make
You look broken
But not while I'm living
'Cause I wanted you to know that
I heard what you said
While it was raining
You're still lovely
You were lovely then
All that you had to endure
I guess nobody noticed it
You made me. I love you and
Did you know nothing has changed
And now everyone they notice it
Everyone notices
You're still lovely
You were lovely then
All that you had to endure
I guess nobody noticed it
You made me. I love you and
Did you know nothing has changed
And now everyone they notice it
