

Lisa Marie Presley, Raven

And as the raven flies she feels unwelcome
Shes fallen out of her tree and caught on a limb with silver lining
Her wings uncertain oh but shes still flying
Yeah little Raven I see you there
Hold your head up now
I wont try to pull your feathers out I promise
Go on dry your eyes
You know that Ive forgiven you and Im sorry
And everything till now
It wasnt that bad really
Beautiful lady
Why dont you fly with me
Well have a chat and a cup of tea
And a long lost need to see whos really there
And youll finally be ok with me
And Ill hear your stories
That fill your sad eyes
When you had raven hair
Hold your head up high
I know that Ive been ruthless
Ive been ruthless
Go on dry your eyes
You know that Ive forgiven you
And Im sorry
And everything till now
Wasnt that bad really
Beautiful lady
Go on dry your eyes
Hey you finally see me, hi
And I see you
And everything till now
Wasnt that bad really
Beautiful lady
Go on dry your eyes
You know that Ive forgiven you
And Im sorry
And everything till now
Wasnt that bad really
Beautiful lady
