

Lisa Marie Presley, Road Between

Out on the road between nowhere and hell.
I caught a glimpse of my reflection in you.
But they cant believe
I still want you around.
Hung on the line between addiction and this.
I cant believe you said
I hurt you again.
But I cant afford to let you get away.
And I cannot take the darkness when you stay.
Youre all I see.
And its definitely my fault.
Youre all I see.
But dont come near me at all.
How many roads between your world and mine.
How many broken doors and how many fights.
I changed my furniture to make you go away.
Im still overwhelmed at how much space you take. Youre all I see.
And its definitely my fault.
Youre all I see.
But dont come near me at all.
And I cant have you right now.
And I cant get it right now.
And I cant have you right now.
And I cant get it right now.
Youre all I see.
And its definitely my fault.
Youre all I see.
But dont come near me at all.
This is definitely my fault.
Hung on the line between addiction and this.
I cant believe that I have hurt you again.
