

LISA MAY, Heavily

Heavily, heavily I felt you in my chest
It reminded me, reminded me
Every touch kills me when
I've tried too hard, too hard to save you
But it hold me back
Your love is mine
Keeps me alive
But what comes around goes around again...

My, my, my, my, heartbeat
Don't leave me again

Heavily, heavily I felt you in my chest
It reminded me, reminded me
You and I would never last.
I'll follow into the dark Into your madness
Sunrise till love is gone
I'm feeling I'm feeling I'm feeling
