

Lisa Miskovsky, Joan Of Arc

4 days on the floor
I've seen this place before
The sign is on the door, I need you
The light shades down the fence
I leave my time and sense
'Cause I don't even fall, through your open door
Why won't you help me understand,
Why I can't keep my faith in love
Why won't you lend me a helping hand,
I think I need a puch and a shove
Help me to understand why I need you so bad
Sunshine can be cruel, you try to keep your cool,
But all I ever said, I need you
Oh, lose all I can't hold, and lately I've been so cold
And I won't even fall, through that open door
Why won't you help me understand,
Why I can't keep my faith in love
Why won't you lend me a helping hand,
I think I need a puch and a shove
Help me to understand why I need you so bad
Help me to understand why I need you, oh so bad
Help me to understand why I need you, oh so bad
Help me to understand why I need you
I need you, I need you, I need you, God I need you
