

Lisa Stansfield, Good Morning Heartache

Good morning heartache
you old lonely sight
Good morning heartache
thought we said goodbye last night

I've turned and tossed until it seems you have gone
But here you are with the dawn
Wish I'd forget you
but you're here to stay
It seems I met you
when my love went away
My every day I start by saying to you
Good morning heartache
What's new?

Stop haunting me now
Can't shake you nohow
Just leave me alone
I've got those Monday blues
straight through Sunday blues
Good morning heartache
here we go again
Good morning heartache
you're the one who knew me when
Might as well get used to you
hangin' round
Good Morning heartache
Sit down
