

# Lisa Stansfield, Jackie

I woke up with your name on my lips  
I woke up with your lips on my imagination  
Did you wake up with my name on your lips  
Or am I all alone in this infatuation

Jackie when you touched my soul in the candlelight  
Jackie when I lost control in the heat of the night  
Jack Jack Jackie, can't get you off my mind

I woke up thinking it was you  
But I was all alone in my lonely room  
Did the same thing happen to you  
If you don't feel what I feel  
I don't know what I'd do

Jackie when you touched my soul in the candlelight  
Jackie when I lost control in the heat of the night  
Jack Jack Jackie, can't get you off my mind

I didn't know a love could feel this good  
I never let anyone inside  
I pushed and I shoved  
I fought off a love  
But with Jackie I've got nothing to hide

I woke up with your name on my lips  
I woke up with your lips on my imagination  
Did you wake up with my name on your lips  
Or am I all alone in this infatuation

Jackie when you touched my soul in the candlelight  
Jackie when I lost control in the heat of the night  
Jack Jack Jackie, can't get you off my mind
