

Lisa Stansfield, Marvellous And Mine

(L. Stansfield/I. Devaney/A. Morris)

The way you touch, you got a touch like gold,

When we kiss and you hold me in that hold,

We're full of fire fire fire fire fire.

You're so good, you make me cry. fill me up,

You fill me up like wine, I need to please you and hold you in my arms,

And feel the fire fire fire fire fire.

Ooh, when you're by my side I feel my heart is open wide and brand

new, ooh, ooh, ooh.

Everything's gonna be alright, 'Cos we have so much sun inside,

So baby it's no wonder that there ain't any other for me like you...

Chorus:

You are marvellous & mine

You're so much more than time

Baby you fill me up so,

You're marvellous & mine

Pull me in with the treasure in those eyes

With you there's no such thing as time

There's just fire, fire, fire, fire, fire

when we kiss all that I do is sigh

We embrace and I feel like

I could die I want to hold you forever in my arms

And feel the fire, fire, fire, fire, fire.

Ooh, when you're by my side I feel my heart is open wide & brand

new, ooh, ooh, ooh.

Everything's gonna be alright, can we have so much sun inside,

So baby it's no wonder there ain't any other for me like you...
