

# Lisa Stansfield, Never, Never Gonna Give You Up

Yeah, check me out...

Never, never gonna give you up, baby

Never, never gonna give you up

Wherever I am, babe, I do, yeah

Forever and ever, yeah, yeah, yeah, yeah

I'll be true, yeah

I've got to keep you pleased in every way I can

Gonna give you all of me

As much as you can stand

Make love to you right now, that's all I want to do

I know you need it, boy, and you know

I need it, too

'Cause I found what the world is searching for

Here, ooh, right here, my dear

I don't have to look no more

And, oh, my babe, I hope and I pray for someone

Just like you to make me feel the way you do

1- Never, never gonna give you up

I'm never, ever gonna stop

Not the way I feel about you babe,

I just can't live without you

I'm never ever gonna quit, no

'Cause quittin' just ain't my shtick

I'm gonna stay right here with you

Do all the things you want me to

Whatever you want, boy, you got it, yeah

Whatever you need, baby, baby, baby, baby

I don't want to see you without it, no

You've given me much more than words could ever say

And oh, my dear, I'll be right here until my dying day

I don't know just how to say all the things I feel

I just know that I love you so and it gives me such a thrill

'Cause I found what the world has been looking for

Here, ooh, right here, my dear

I don't have to search no more

And all of my days I hoped and prayed

For someone just like you

To make me feel the way you do

(repeat 1, 1)
