

Lisa Stansfield, Never Set Me Free

(L. Stansfield/I. Devaney)

Babe I'm ashamed

Didn't mean to cause you pain

And I hurt too for hurting you

And I won't let you go

And I don't wanna say goodbye

And I didn't mean the things I said last night

I flew off the handle

And had too much wine

And I'm sorry for the hurt I've caused you

Chorus:

Never set me free

Don't wanna know just how sad I can be

Never set me free

'Cos baby that's the last thing

That I wanna be

I apologize

Can you forgive me the lies

'Cos I want so to let you know

That I won't let you go

And I don't wanna say goodbye

And I didn't mean the things I said last night

And by tomorrow

I still wanna be with you

Be with you forever more

Chorus

I don't wanna be without you

Let's stay sweet

I don't wanna be without you

Just keep me with you

baby

Never let go 'cos I know there's more

Can you forgive me

Never set me free

Don't wanna know how loveless life can be

Never set me free

'Cos baby that's the last thing

That I wanna be
