

Lisa Stansfield, Perfect Crime

You were sweetness and light
I never fought off your kisses
You were the only one in my life
I believed you boy
You took over my mind
And I gave you my everything
You were giving me something
And I thought it was love

You lied, I cried, you stole my heart

I didn't know when you looked into my eyes
I was a victim of the perfect crime
You said you loved me but you were telling lies
You know you're guilty of the perfect crime

You hurt me boy you hurt me so bad

Now I'm over the fight
Of trying to forget you
You were bad to baby
You're a criminal

I didn't know when you looked into my eyes
I was a victim of the perfect crime
You said you loved me but you were telling lies
You know you're guilty of the perfect crime
