

# Lisa Stansfield, You Know How To Love Me

Sure you do  
(You know how to make it right)  
So nice  
(You know how to love me  
There's no denying  
(Sweet as morning light)  
Sooner or later  
I knew you'd come my way  
You're welcome to my love  
Just promise that you'll stay  
Chorus:  
You know how to love me...Right  
In a special way  
You know how to love me...Tonight  
And I wanna say  
You know how to love me  
You're the real that I feel never go away  
Seeing's believin'  
Don't you know you're a dream come true  
Ain't nothin' deceivin'"bout the way that I'm lovin' you  
(You know how to love me) You know, you know  
(You know how to make it right)  
I can feel it  
(You know how to love me)  
No doubt about it  
(Sweet as morning light)  
Nothing's forever  
That's what people say  
But each time that we're together  
Forever and a day  
(Chorus)
