

Lit, Live For This

"I've been falling apart at the seams
But it's not as it seems
Broken pieces around at my feet
That I dance on
In my darkest day
In my darkest day, I can find you
We've come all this way
and I still running after it
Yeah

I, I, live for this
I, I, I'd trade it for nothing

I've been waiting for someone like you
To be waiting for me
This is more than I ever dreamed
and I dream on
I wish I could stay
I wish I could stay
Right beside you
We've come all this way
And I'm still looking after you

I, I, live for this
I, I, I'd trade it for nothing

In my darkest day
In my darkest day
I can find you
We've come all this way
And I'm still running after it
Yeah

I, I, live for this
I, I, I'd trade it for nothing
Yeah, I, I, live for this
I, I'd trade it for nothing
I, I live for this
I, I, I'd trade it for nothing"
