

# Lit, Live For This

"I've been falling apart at the seams  
But it's not as it seems  
Broken pieces around at my feet  
That I dance on  
In my darkest day  
In my darkest day, I can find you  
We've come all this way  
and I still running after it  
Yeah

I, I, live for this  
I, I, I'd trade it for nothing

I've been waiting for someone like you  
To be waiting for me  
This is more than I ever dreamed  
and I dream on  
I wish I could stay  
I wish I could stay  
Right beside you  
We've come all this way  
And I'm still looking after you

I, I, live for this  
I, I, I'd trade it for nothing

In my darkest day  
In my darkest day  
I can find you  
We've come all this way  
And I'm still running after it  
Yeah

I, I, live for this  
I, I, I'd trade it for nothing  
Yeah, I, I, live for this  
I, I'd trade it for nothing  
I, I live for this  
I, I, I'd trade it for nothing"
