

Lita Ford, Only Women Bleed

Man's got his woman
To take his seed
He got the power
She got the need

She spends her life through
Pleasin' up a man
She feeds his dinner on
Anything she can

She cries alone at night too often
He smokes and drinks and don't come home at all

Only women bleed
Only women bleed
Only women bleed

Man makes your hair grey
He's your life's mistake
All you're really looking for
Is an even break

He lies right at you
Ya know ya hate this game
Slaps you once in a while
And you live and love in pain

She cries alone at night too often
He smokes and drinks and don't come home at all

Only women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed

Man's got his woman
To take his seed
He got the power
She got the need

She spends her life through
Pleasin' up a man
She feeds his dinner on
Anything she can

She cries alone at night too often
He smokes and drinks and don't come home at all

Only women bleed
Only women bleed
Only women bleed

Black eyes all of the time
Don't spend a dime, clean up this grime
And you there, down on your knees
Beggin' me please, come watch me bleed

Only women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed

Only women bleed
