

# Little Big Town, Bones

What goes around comes around  
Feel it breathin' down heavy on you  
You made that bed you're layin' on  
Deeds that you have done, now you cant undo

[Chorus:]

You've got bones in your closet  
You've got ghosts in your town  
Ain't no doubt, yeah, they're gonna come out  
They're waiting for the sun to go down  
You can't hide from your demons  
Feel 'em all lurkin' around  
You're runnin' scared 'cause you know they're out there  
They're waiting for the sun to go down

It's a long hard row to hoe  
When seeds that you sow grow by the wicked moon  
Be sure your sins will find you out  
Your past will hunt you down  
And return to tell on you

[Chorus]

It all stands to reason  
Every dog will have his day  
But your day is leavin'  
Better hold on tight  
Here comes the night

[Chorus]
