

Little Birdy, This Is A Love Song

There's too many people, running Heaven
Seen anything like this before?
This is a love song
This is a love song
Feeling the love, everywhere.
You're not my only faithful lover anymore

I've only been here for a day and a half
But I haven't been here in a while
This is the worst song
This is the worst song
Feeling the love, every where
You're not my only faithful lover anymore

So come on baby
This is only
Come on and feel something more
You're feeling the love
Feeling the love
Feeling the love
You're not my only faithful lover anymore
You're not my only faithful lover anymore
