

Little Mix, Good Enough

[Jesy]

I am the diamond you left in the dust
I am the future you lost in the past
Seems like I never compared
Wouldn't notice if I disappeared

You stole the love that I saved for myself
And I watched you give it to somebody else
But these scars no longer I hide
I've found the light you shut inside
Couldn't love me if you tried

Am I still not good enough?
Am I still not worth that much?
I'm sorry for the way my life turned out
I'm sorry for the smile I'm wearing now
Guess I'm still not good enough

[Leigh Anne]

Does it burn?
Knowing I used all the pain
Does it hurt?
Knowing you're fuel to my flame
Don't look back
Don't need your regrets
Thank God you left my love behind
Couldn't change me if you tried

[Jade]

Am I still not good enough?
Am I still not worth that much?
I'm sorry for the way my life turned out
I'm sorry for the smile I'm wearing now
Guess I'm still not good enough

[Perrie]

Release your curse
'Cause I know my worth
Those wounds you made
Are gone you ain't seen nothing yet
Your love wore thin
And I'd never win
You want the best
So sorry that's clearly not me
This is all I can be

[Little Mix]

Am I still not good enough?
Am I still not worth that much?
I'm sorry for the way my life turned out
I'm sorry for the smile I'm wearing now
Guess I'm still not good enough
