

# Little Mix, Love a Girl Right

[Verse 1: Leigh-Anne]

Oh, that boy so scandalous  
Yeah, he broke my girl's heart  
And he was on to the next  
He was cheating on the low in the club all night  
Never seen my girl so messed up, yeah (Yeah)  
Out with his boys in the hip-hop spots  
She all alone wondering if he's comin' home or not  
For the whole damn year, I was wiping up her tears  
He was livin' la vida loca

[Pre-Chorus: Jesy]

You know I'll been watching you  
'Cause she the baddest thing to ever happen to ya  
And that's the truth  
Don't make me have to hurt ya  
'Cause I know right now we're cool  
But if I ever hear your mess this up  
I'm comin' after you

[Chorus: Perrie & All]

So don't you treat her wrong  
Yeah, you better love a girl right, baby  
'Cause you 'bout to lose her love  
Said I, yeah, you better love a girl right  
Oh, right, yeah  
'Cause you 'bout to lose her love, yeah

[Post-Chorus: All & Perrie]

Dan-da-ran, dan-dan  
Dan-da-ran, dan-dan  
Dan-da-ran, dan-dan  
You better love a girl right

[Verse 2: Leigh-Anne]

I'll be there for my girl always  
She mean the whole world to me  
All she want is your loyalty, yeah (Oh, no, no)  
She want better, she don't want another, 'nother mistake  
You better not risk it  
'Cause in my eyes all I'm seeing is a queen  
If you do her wrong, best believe  
She'll be livin' la vida loca

[Pre-Chorus: Jade & (All)]

You know I'll been watching you (Ayy, ayy)  
'Cause she's the baddest thing to ever happen to ya  
And that's the truth  
Don't make me have to hurt ya  
'Cause I know right now we're cool (Right now we're cool)  
But if I ever hear your mess this up  
I'm comin' after you

[Chorus: Perrie & All]

So don't you treat her wrong  
Yeah, you better love a girl right, baby  
'Cause you 'bout to lose her love  
Said I, yeah, you better love a girl right  
Oh, right, yeah  
'Cause you 'bout to lose her love

[Bridge: All]

Oh, oh, love her right  
Oh, oh, she'll be gone tonight

Oh, oh, I don't wanna fight  
One more chance, gimme one more try?  
Dan-da-ran, dan-dan (Hey, yeah)  
Dan-da-ran, dan-dan (No, oh-woah)  
Dan-da-ran, dan-dan (Eh, you, oh-woah)

[Chorus: Perrie & (All)]

So don't you treat her wrong (Dan-da-ran, dan-dan)  
Yeah, you better love a girl right, baby (Dan-da-ran, dan-dan, ayy, ayy)  
'Cause you 'bout to lose her love (Dan-da-ran, dan-dan)  
Said I, yeah, you better love a girl right  
Oh, right, yeah  
'Cause you 'bout to lose her love

[Outro: All, (Perrie) & Jade]

Dan-da-ran, dan-dan (You better love her, no, no, no)  
Dan-da-ran, dan-dan (You better love her, no, no, no)  
Dan-da-ran, dan-dan (Better love her right, no, no, no)  
No, no, no
