

Little Mix, The End

[Jesy]

I can't keep breaking up with you
You messed with my heart, babe
Now it's black and blue
But love isn't fair so I swear
That this time
This is the end

[Jade]

And I can't keep lying
Lying to myself, oh
I'm thinking you'll love me right
But you never will
It's too much to bear
(Too much to bear)
So I swear
(This time I swear)
That this time
This is the end
(I mean it baby)

[Leigh-Anne]

Oh

[All]

Said I'm gonna leave, but I'm never leavin'
Now I know that I really don't need
You had your fun, now the party's done
And you back on the floor,
As I walk out the door
Boy, we're through, oh
All the tears I've cried, all the lonely nights
Boy I lost my mind,
But now I'm sure

[Jade]

Now I'm sure, now I'm sure

[Leigh Anne]

You can say what you want
But love isn't here anymore

[Perrie]

And I won't be missing, missing you
And no one can love you,
The way I used to do,
But love isn't fair, and I swear
That this time
This is the end
Oh whoa

[Jesy]

I promise baby

[Leigh Anne]

This is the end

[Jade]

You know it's the end

[Perrie]

Oh whoa yeah

This is the end
