## Little River Band, Happy Anniversary

Happy anniversary baby Got you on my mind Happy anniversary baby Got you on my mind I'm so happy for you baby Now that you've found somebody new I see it in your eyes, Lord it's no surprise What he can do for you But when I look back baby When I look back to what we had And I know I'm countin' good times But there were just as many bad And so I wish you Happy anniversary baby Got you on my mind Happy anniversary baby Got you on my mind There's a lesson here to learn when your baby ups and leaves you Carry on, don't feel concerned even though you're so much in love You need a little help from above, oh (Instrumental break) Happy anniversary baby Got you on my mind Happy anniversary baby Got you on my mind Oh ain't no foolin' with you baby Only the words are hard to find You got me tremblin' at the knees Answer won't you please Before I lose my mind This is our fifth year baby And I feel like I'm in jail, Lord I'm holding on to this card Can't seem to get it in the mail And the card reads ... Happy anniversary baby Got you on my mind Happy anniversary baby Got you on my mind Ooh yeah, happy anniversary baby Got you on my mind Ah yeah happy anniversary baby Got you on my mind Oh, have a happy anniversary 'Cause I've got you on my mind Always on my mind Happy anniversary Happy anniversary (Repeat and fade)
